To the Reader.

IT is not Customary with me to make long Harangues to set off the goodness of our Books, (I have no reason to question the Judgements of the Buyers,) but yet I thought it not impertinent at this time to acquaint the Reader, that here is a very good Collection of Chymicall as well as Medicinall, and likewise of Philologicall as well as Theologicall Books Both in Latin and English, which I make no doubt will sufficiently recommend themselves upon sight, unto which I refer the Reader, and proceed to acquaint him that this Auction will begin the 24th day of March, 168³/₄. at the hours of Nine and Two, as usually, until all are sold, at the Pelican in Little Britain, where the Books may be seen the week before the Sale begins. The Conditions are as followeth:

I. That he who bids most is the Buyer; but if any difference ariseth, the same Book or Books to be again exposed to Sale.

II. That the Books in this Catalogue (not otherwise expressed) are, for ought we know, perfect; but if any of them appear to be otherwise, before they be taken away, the Buyer shall have his choice, whether he will leave or take the same.

III. That the Money for the Book or Books bought, is to be paid by the Buyer within one month after the Auction or Sale is ended, at the Pelican in Little-Britain, London; where, upon Payment thereof, the Book or Books bought shall be ready to be delivered, within the month aforesaid.
